Paradichlorobenzene

IMS Trading, LLC

c/o

Henry M. Jacoby

ACTA Group

2200 Pennsylvania Ave., N.W. Suite 100W

Washington D.C., 20037

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA grants this reregistration under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for **Paradichlorobenzene** have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Confidential Statement of Formula

The acceptable Confidential Statement of Formula (CSF) on record for this product is:

1 Basic CSF - dated 05/31/11

Any previously dated CSFs are superseded.

(next page)

Existing Stocks Provisions

Submit one (1) copy of final printed labeling incorporating the above changes before you release the product for shipment. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions regarding this label, please contact Gene Benbow at (703) 347-0235 or via email at benbow.gene@epa.gov.

HOTLINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378 for emergency medical treatment information.	
ENVIRONMENTAL HAZARDS Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.	

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide STORAGE: Store only in original container, in a cool dry place inaccessible to children and pets. Keep container closed and away from other chemicals.

PESTICIDE DISPOSAL and CONTAINER Handling: Nonrefillable Container. Do not reuse or refill container. Place in trash or offer for recycling if available.

If Empty: Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTION FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. An insecticide only for formulation into registered end-use products for moth control. This product is intended for use in the manufacture of moth control products for use with clothing in air-tight containers (e.g., chests and trunks), garment bags, and storage closets. It is the responsibility of the manufacturer of such products to develop specific directions for use that are appropriate and in compliance with all applicable government regulations. If assistance is required, contact IMS Trading, L.L.C. or the headquarters office of the EPA.
